

P40 PUMP & MOTOR SOFT WASH SYSTEM

NOT NEXT WEEK,
NOT TOMORROW,
NOW!

POWER THROUGH WITH TECHNOLOGY MADE TO OUTPERFORM
YOUR COMPETITORS AND ACHIEVE CUSTOMER SATISFACTION.

COMET P40 PUMP HIGHLIGHTS

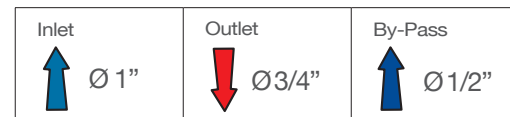

- Chemical resistant wet parts compatible with aggressive softwash chemicals
- Single piece manifold for reduced leak points and quick service
- Molded inserts that cannot come loose
- Bolt-on regulator to prevent leaks when tightening or loosening pressure knob
- Aluminum head plates to prevent flexing of the heads

MOTOR HIGHLIGHTS

- Honda 5.5 HP GX200 Gasoline Motor
- Muffler and breather valve enhancements reduce noise and improve sound quality
- Honda's Oil Alert system helps to prevent engine seizure due to a low oil condition
